

Effective 9/23/2016

Due to a few APA teams who have repeatedly left VIP Billiards at the end of the night without paying for table time, we will now require that all APA matches be paid for before your team's paperwork is handed out.

**Match Table Time Rates**

\$20 – 8 Ball Matches (\$4 per person)

\$25 – 9 Ball Matches (\$5 per person)

**Pool Balls for Matches**

Pool balls for matches will be handed out to VIP teams only and up to 30 minutes prior to the match time. Pool balls will not be handed out to visiting teams prior to the match time.

**Practice Time Payment Schedule**

For anyone looking to practice prior to their scheduled match (includes playoffs, Tri-cups and LTC's), please refer to the table below. Fees will be collected up front. For Single Boards or other individual or team tournaments, all players will follow the "Visiting Team" payment schedule.

Based on a 7:30pm Start Time

Arrival Time	VIP Team	Visiting Team
	<i>per person</i>	<i>per person</i>
7:00pm - 7:30pm	Free	\$3.50
6:45pm -6:59pm	\$3.50	\$5.00
6:30pm - 6:44pm	\$5.00	\$7.00

Anyone arriving prior to 6:30 will be put on the clock as normal

**Practice Tables**

Free practice tables are given to VIP Billiards teams at the discretion of VIP Billiards. If there 5 or more matches going on during the night, no free practice tables will be given out. The reason is that we do not have enough bar-sized (7' foot) tables for all teams to practice on as well we need to reserve tables for VIP Billiards patrons that come in during the night. If a team wants to pay for a practice table, the fee is \$10 for the team paid up front.

\$10 for all visiting teams – VIP Billiards will rent visiting teams a practice table for \$10 per team to be paid up front. Note that if there are open 7' tables, those tables are reserved for VIP teams to practice on. If the VIP team elects not to use the table, then a visiting team may rent the table for the night.
